Dear TAOS Parents/Guardians,

Several of our staff and students have tested positive or have had first-hand exposure for COVID-19. After speaking with the health department, we have been advised to switch to distance education for 14 days. That would make our return date on November 18. We are scheduled for Thanksgiving break starting on November 20. **For these reasons we will start virtual learning tomorrow, November 3, and will return to in-person learning on Monday, November 30, 2020.**

The staff member(s) and students who have had direct exposure are our middle/high school students/staff. If your child has any symptoms we recommend testing. Our elementary school students have not had primary exposure. However, due to the fact of multiple positive cases on campus, we are moving to distance learning for everyone to give us time to clean and ensure that others are not exposed.

Chromebooks will be sent home with your students from ages 1st grade and up today. PreK and Kindergarten students will be provided packets. Teachers will be in contact with you or your students about assignments. Please see the back of this sheet for email addresses for all of our teachers. Please feel free to email them if you have any questions.

Please let us know if you would like breakfast/lunch provided during this time of distance learning by calling the school office at 405-380-9010. We had hoped to be able to continue school in-person, so we did not make this decision easily. But we feel it is prudent to be safe at this time.

Sincerely,

Wren Hawthorne

Superintendent of School
